Cautionary Note Regarding Forward-Looking Statements: Certain statements made herein may contain forward-looking statements or information within the meaning of Canadian securities laws. Such forward-looking statements or information include, but are not limited to, statements or information with respect to Anglo Swiss Resources’ plan for future exploration and development of its properties. Forward-looking statements or information are based on a number of estimates and assumptions and are subject to a variety of risks and uncertainties, which could cause actual events or results to differ from those reflected in the forward-looking statements or information. Should one or more of these risks and uncertainties materialize, or should underlying estimates and assumptions prove incorrect, actual results may vary materially from those described in forward-looking statements or information. For example, there is no certainty, that any economically viable mineral deposit will be located on the Property, or that the Company will be able to raise sufficient capital to complete all of its exploration and drill programs. Accordingly, undue reliance should not be placed on forward-looking statements or information. Anglo Swiss does not expect to update forward-looking statements or information continually as conditions change, except as may be required by securities law.
